Viersen, March 2025

## Product discontinuation

Dear customer,

We regret to inform you that, due to the unavailability of essential components, we must discontinue the PS 3000 C product series with immediate effect. This decision was not made lightly, and we understand the impact it may have on your operations.

We deeply appreciate your understanding and support during this transition. We have listed alternative products for each item where possible below.

Product code	Type/model	Description	Successor
	<b>Desktop Power Supplies USB, 160 - 640 W</b>
